No, I think that covers everyone. You may need to get an auditorium for this one.

I'll be sending out a revised invite and planned to include you, Matt Mankowski, Joan Tanaka and Nuria Muniz. Should I include others? Alternatively, you could forward the invite.

The SFD folks who've worked on Wolverine weren't on the meeting invite. Should I invite them?

**Subject:** PFAS team briefing to include Wolverine discussion

Hi Team,

I just got out of the Water Division's General meeting and Bob would like next week's briefing expanded to include significant discussion regarding the Wolverine/Belmont issue in Michigan. This issue crosses several programs and includes lots of POCs so don't be surprised by the large group of folks in attendance next week. The time of the meeting has gone from ½ hour to 1 hour and now is set for 10:00-11:00 am (you've should have received a revised meeting invitation by now).

Bob mentioned that he still wants an overview of regional PFAS activities in preparation for his Cross-Agency Senior Leader call - so that part of the briefing will remain.

Thanks,  
Kim
